Sir,

I ----- father/mother/guardian of-----
-----of class/sec -----want my ward to attend the
school, reopening in November 2020.

I have read and understood well the circular No DPS VSP/2020-21/112 dated 31st October 2020 of the school.

To the best of my knowledge, none of my family members including my ward is suffering from any health problem.

It is understood that the school will take the utmost care of the students, however, I will not blame the school authorities for any unforeseen health issue that my ward suffers from, after attending the school.
