

DELHI PUBLIC SCHOOL VISAKHAPATNAM REVISION ASSIGNMENT

September 2022-23

Class: III

Subject: ENGLISH

I. Read the passage and answer the questions that follow.

Mrs. Purnima was a careful person. Each night before she went to bed, she would write down what had happened during the day. She would leave the diary open on the nightstand next to her, so that she wouldn't forget to make entries the next day. One night, as she was fast asleep, a burglar tiptoed in quietly so as to not wake anyone up. He looked around and found a purse with five thousand rupees, which was all he could find. As he was about to leave, he paused by the nightstand where the diary lay. The next morning, when Mrs. Purnima woke up, she was surprised to find that someone had already filled the entry for the day in her diary. It said, "The house was burgled at 4.00 a.m."
