Grandpa's Cooking

Ella loves her grandpa. He lives in Visakhapatnam, and comes to visit once a month. She wishes he came to visit every week because he tells her great stories and makes her favourite dinner.

Ella asks her mom to make the spicy potato curry that grandpa makes. Ella's mom says, "I will try, but no one can make it as well as grandpa does."

Ella watches her mom fry the spices for the curry. When the curry is finished cooking, Ella says, "It looks tasty!" Ella's family sits down to eat. Her mom was right; no one makes the spicy potato curry as well as grandpa.

The next time her grandpa comes to visit, Ella tells him about her mom trying to make the spicy potato curry. Grandpa says, "That's wonderful!" Then he teaches Ella and her mother how to make the curry.
