

DELHI PUBLIC SCHOOL VISAKHAPATNAM STEEL PLANT Revision Assignment 2023-24

Class: III

Subject: ENGLISH

I. Read the passage and answer the questions given below.

Tom's New Year Resolutions

It was January 5th. Tom got up and dressed. Then, he looked at his toothbrush and he promised. In 2024, I'm going to brush my teeth after every meal'. The tooth brush fell over. Tom went downstairs, saw his mother and he said, In 2024, I will always be nice to you'. His mother just smiled. When Tom arrived at school, he spoke to his teacher. 'Sir', he said, In 2023, I didn't always do my homework, but in 2024, I will always do it'. His sir replied, 'We'll see'. At lunchtime, Tom went to the canteen and he ate salad. He said to his friends, In 2023, I ate lot of junk food, starting from today, I'm going to eat healthy foods'. Tom's friends laughed. When Tom arrived home after school, he ate his dinner and started playing computer games. He played for just fifteen minutes and he said to himself. In 2023, I played games for about three hours a day. In 2024, I'll only play for one hour a day'. He looked in the mirror and he grinned at himself. You see, Tom made these resolutions in 2023, but he didn't stick to any of them! But this time, Tom really meant it! He thinks he can do it. Let's hope so! All the best for 2024.

- A. Say True or False. If False correct the False sentences.
